# Wittrock Family Is Not Related To Missing Salesman

---

With no trace of Donald Wittgraff, typewriter salesman who disappeared two weeks ago, found as yet, the family of Mrs. Augusta Wittrock, 612 Seventh avenue south, St. Cloud, asked that the public be informed it is not related to the missing man. Many calls have been received at the Wittrock home regarding Donald Wittgraff's disappearance, it was said.

Donald Wittgraff, first reported as Donald Wittrock, has been missing for several weeks after his car was found parked at Palmer in Sherburne county, and after it was learned that he had sent his father in Minneapolis a cashier's check from Big Lake for cash funds which he had with him at the time. Sherburne county officials have found no clues as yet.
