

# Good Fellows Fund Goes To \$1,068 Mark--Farmers Vote to Contribute \$218

43 Farmers Who Sell Milk to Quality Dairy Join Plan, Donating 109 Milk Coupon Books Worth \$2.00 Each  
—Bellas Hess Store to Provide Baskets.

The Good Fellows fund reached a total of \$1,068.00 today when President Adolph Landwehr of the Quality Dairy company brought in a check for \$145.00, which represented the contribution of \$5.00 each from 29 milk wagon drivers and other employes of the company, and \$218 from 43 farmers who sell milk at the dairy.

This was a splendid boost and the Good Fellows hope that the example set by the milk wagon drivers and others and the dairy farmers will be followed by other individuals. In order that each of the employes might give a gift of \$5.00 this year the company increased its total Christmas gifts to \$145.00. Because of the fact that many men and women do not have steady jobs at the present time there will be plenty of places to spend this money wisely. The money will be turned over to the general unemployment committee which is maintaining headquarters at the Salvation Army building. When the farmers who sell milk to the Quality Dairy company learned of what the employes were doing they also offered to make a substantial contribution to the Good Fellows.

As a result of a meeting held yesterday afternoon by the dairy men who supply milk and cream it was decided to purchase 109 \$2.00 milk coupon books.

Old crop deliveries were unevenly steady to higher, farm board buying advancing December sharply in the face of the weakness in July and the declines in foreign markets.

#### **National Bellas Hess Helps**

Of course, you do not have to be a man to join the Good Fellows. There are a lot of girls in the Good Fellows club which is an organization of sales-people at the National Bellas Hess store. It has been their custom to have a "pep" meeting and banquet once or twice a month. At the last meeting it was decided that the usual contributions and payments that are made towards a fine dinner for themselves should be put into a fund for Christmas baskets and they should be distributed to the needy of the city. Therefore, all of the money that would usually go towards giving themselves a good time will be spent on Christmas baskets this year. Those at the head of the Good Fellows at the National Bellas Hess store are Miss Irene George and Leo Solomon.

When Manager H. Barton of the store learned of what the sales people were doing, he told them that the store would match dollar for dollar all the contributions that the sales people would put into the fund. As a result the 100 per cent Good Fellows club at the National Bellas Hess expect to fill from twenty to twenty-five baskets. One of the items that will be included in each basket will be a substantial roast. The price of the baskets will be not less than \$3.00 each. Names for the distribution of the baskets will be obtained from central welfare organization headquarters.
